My Dear Len

I wish to day to gain
some information with regards to our home
Has Mr Milby gone out of it, or when will
he give it up. please see Mr Russel and
he can tell you, and give me an answer
by the return Boat, and direct to Lynchburg.
My health is gradually improving, I think
some dayes hence, I feel as bad as ever
All they all well as Harrisburg, give my
love to sister, when you see her, I wish
I was with her now, I am too lonesome and
miserable here to live.

I can give you some news about
Canehis, - Mr Morgan received a letter
from Miss Davy in Philadelphia, a
few days ago, in which she mentions
having seen Mrs Roads who left California
I think in July. Mrs Roads told her
that she met with C, frequently in
Stockton and that he was well, and
doing well. I wrote to Canehis when in
Pa and told him to become acquainted
