NEW TELEPHONE NUMBER

There is a correction for Acquisitions Department staff in the new telephone directory. Mary Geyer is listed twice--once under Serials Control (new position) and also under Acq.-Accounting (former position). Mary should be deleted from Acq.-Accounting. Carol Atwood should be listed there in her place. (Submitted by Mary McLaren.)

PRINTING CHANGES

Due to chronic illness and old age in the Library's printing equipment in-house printing will be discontinued. This will have a significant effect on the Green Bean. With increased competition for copying time, meeting a deadline and still delivering timely information will become more difficult. Therefore, until we find a satisfactory solution, your patience and understanding will be appreciated.

Bean staff. His efforts have been much appreciated and will be greatly missed. On behalf of Green Bean readers, past editors, and myself, many thanks to Cecil and best wishes with his new responsibilities.
