CARPENTERS WILL HAVE OPEN MEETING

The United Brotherhood of Carpenters and Joiners of America will hold a meeting on next Tuesday evening which will be open to the public, and Carpenters who are not members of the organization are especially invited to be present.

The meeting is called by H. S. Van Arsdell, financial Secretary, and promises to be very interesting. It will be addressed by Mr. Fred J. Bush of the general offices of the union in Indianapolis, who is one of the best speakers and best informed men on the subject of union labor which it is possible for the local branch to obtain.
