Grand Secretary, Sister E. B. Brown, read the following recommendation from Supt. of Kentucky Home Society for Colored Children, located at Louisville, Ky.

#### RECOMMENDATION:

The State Grand Temple has not centered its activities in any definite Child Welfare Charity of the State, and in view of the fact that there are six thousand dependent race children in the State who are deprived of the chance for the noble pursuits of life, and that the State Legislature is giving some assistance to an organization which is operating in our State and receiving homeless children of the race who are committed to its care from all the counties of the State, and

Be it further stated, that the appropriation received from the Legislature does not give entire support and maintenance to this institution, and for this reason the purchase of the building in which the children are being housed together with other incidentals vital to their comfort, care and education have to be met by free-will offerings and donations, and since the Kentucky Legislature is the first of the Southern States to give this assistance to the homeless and dependent children of our race, I therefore

Recommend, that this State Grand Temple give as an evidence of the charitable phase of our Order, and of our hearty sympathy with the homeless and orphan child, and as an evidence of our appreciation for what the Kentucky Legislature has done; a levy of one cent per member from the entire mem-

bership of the Temples of the State as a special annual tax. The same to be brought to the State Grand Temple by the delegate representing the subordinate Temple, as a donation to the Kentucky Home Society for Colored Children, located at Louisville, Ky.

Be it further resolved, that the Presiding Officer of the State Grand Temple be empowered to name a State Child Welfare Commission of twelve persons to be chosen from the four geographical sections of the State. That the Presiding Officer of the State Grand Temple be an ex-officio officer of this commission, which shall be composed of persons having special fitness, by adaptability, character, professional and practical knowledge of the conditions and requirements affecting child welfare. That such persons must be members of the Order, not necessarily delegates.

As the Presiding Officer of the State Grand Temple, being a member of the commission will be prepared to give the required information. This commission will meet twice a year at a place and time designated by the State Grand Princess. Members of this commission charged with certain definite responsibilities upon submitting an itemized statement of expenses to the State Grand Princess for approval, said expenses will be paid by the State Grand Temple.

This commission will be named thirty days after the annual meeting of the State Grand Temple, after which plans as to the scope and service of the commission will be promulgated by the State Grand Princess.

Motion by Sister Frances Wells, seconded by Sister Roxie Edwards that the communication be received for discussion. Motion carried.

Sister Bessie Allen made a statement in regards to the communication by request of the State Grand Princess.

State Grand Princess asked the V. G. P., Sister Mary B. Foston, to come forward and take her seat and Sister Susan Carr to take the seat of the V. G. P., since she was called out.

Motion by E. C. Adams, seconded by Sister Belle Bullitt, that each member put aside one cent a year for the home.

Amendment to the motion by Sister Martha V. Webster and seconded that we strike out the word tax and insert the word lay aside. Amendment with the motion carried.

Grand Princess then asked the N. G. P. Sister E. A. Watkins, to preside since the committee was to report her report first.

The Committee read their report. Motion by Sister Bessie Ballard, seconded by Sister Jennie L. Poole, that the recommendations be adopted by sections. Motion carried.

1. Recommended that no one shall be placed in nomination for State Grand Princess or Vice Grand Princess who has not served as Princess in their local Temples. Motion by Sister Cora Richardson, seconded by Sister Ada Pullam, that the Recommendation be adopted. 100 for motion, 10 against. Motion carried.

2. Recommended that the Assistant Grand Secretary be allowed to attend the Board meetings since she would have to assume the responsibilities in the absence of the Grand Secretary. Then she will be in touch with the work and will know where to begin. Motion by Sister Cora Richardson, seconded by Sister Scilda McAdo, that the Recommendation be adopted. 114 for the motion, 1 against. Motion carried.

3. Recommended that before a Sister's endowment is paid to the beneficiaries that a receipted bill be produced from the undertaker. For so many times the beneficiaries go with the money in their pockets and the funeral bill remains unpaid. And we feel that each Sister should provide that her just debts be paid and the remainder be paid the beneficiaries, if she has not enough for the body to be buried outside of the endowment funds. Motion by Sister Jennie L. Poole, seconded by Sister Belle Bullitt, that the Recommendation be adopted. Motion having been voted on, was lost.

4. In going over the jurisdiction I find so many of our Temples marching through the streets behind big drums which I think is very unbecoming, as ladies as well as S. M. T. We should always look forward to things that have a tendency to lift us up. Therefore, I recommend that no Temple be allowed to march upon any occasion. Motion by Sister Jennie L. Poole, seconded by Sister Scilda McAdo, that the Recommendation be adopted. Motion carried.

5. Recommended that this Grand Temple create the office of Grand Organist, whose duties it shall be to preside at the organ and have charge of the selections. Motion by Sister Bessie Ballard, seconded by several, that the Recommendation be adopted. Motion carried.

6. Last, but not least, as it has been our custom to save the best for our Sisters until the last. Take it gently Sisters, it will do you good. **GRAND OFFICERS' REPORTS**

REPORT OF NELLIE M. HAGGARD, GRAND PRINCESS.

**TO THE GRAND TEMPLE OF THE SISTERS OF THE MYSTERIOUS  
TEN AND JUVENILES OF THE STATE OF KENTUCKY:  
GREETINGS:**

In accordance with an established custom and law of this honored organization, we have assembled in the city of Shelbyville, to hold our annual meeting, along life's pathway amid its thorns and roses, and the greatest events of modern civilization amid the frequent changes of human minds, men and women or often called upon to pause and reflect. Called upon to review their past acts to recount their past deeds and frequently requested to suggest if possible a more successful course for their future are the future of those whose interest has been assigned to their care. Having served you as State Grand Princess, for a period of five years, I assure you that I am grateful and highly pleased with the honor conferred and with pride welcome this privilege to report to you the business transacted by this your servant the past two years.

Whatever I have accomplished has been done through the will and help of Him Who gives His divine approval of the noble efforts of all men who toil earnestly and unselfishly for the uplift of their fellowman, and all things that stand for the good of our Order and lifting her principles and conditions far above the level of the ordinary in life.

My visits to all Temples, were indeed most pleasant and inspiring. All Temples visited received me most cordially and made my brief stay in every city, enjoyable and pleasing words are inadequate to express to any degree of satisfaction our profound and sincere thanks to them. During the year 1921, all visits to Temples were canceled due to the fact, studying the interest of the Temples, thinking at least knowing that it would be of greater interest for them to send a delegate to the National meeting. This your humble servant attended said meeting as a representative from the State of Kentucky, of which I will tell you of later. During the year 1921, we granted several dispensations when we felt they were most needed. Received and answered 180 letters, up to date 205 letters.

In executing the duties of this office, I have tried to realize the important duties before me. I resolved to use the power given the S. G. P., with prudence and judgment, and only with one thought, for the welfare of our Order.

## STATE OF ORDER.

It affords me very great pleasure to report to you at this hour the condition of the Order, just as they are. I have visited 47 Temples to date, examined their books and find them in first class condition with few exceptions. We are increasing in membership, spiritually and financially. The majority of our Temples have long learned that if the summit of success is reached we will have to put God in front and let Him be our leader. I am glad to state that despite the general business depression which has been so generally felt throughout the country, we have kept the even tenor of our way and can report that the Order in Kentucky is in a most hopeful and helpful condition.

I am pleased to state that my official relations with our able and progressive Grand Master, Prof. Halliburton, and all other officials of the Grand Temple, have been of the kindest character and all have worked in union for the uplift of the Sisterhood in Kentucky. I wish to impress upon the Grand Temple, the fact that as our Order advances and increases the duties and labors of every loyal Sister grow in the same degree and calls for greater efficiency and service.

Having again assembled in another annual meeting, let us offer up the incense of pure and grateful hearts to the great I am, for being permitted to gather around our sacred altar once again. I am glad to report to you at this hour that the ranks of our official family have not been broken by the great monster death. Yet the wail of sorrow comes to us from all over this jurisdiction for the loss of loved ones, who have fought the faithful fight, traveled the rough and rugged path of life, have entered the great beyond and are at rest. While we as Sisters drop tears of love and sympathy with the dear ones we commend them to him who doeth all things well. But! what of ourselves? During the year which has just rolled out into space carrying upon its bosom our joys and sorrows, have we as Sisters, lived the life that we will not regret in after years. Let us pause for a moment and ask ourselves this serious question, for we know not how soon we may be called upon to render an account for our stewardship here.

Our jurisdiction has lost 125 members this past year, but remembering the words of the poet so well when he composed that wonderful song we all love to sing because it inspires our very soul, when we begin to sing: "Be not dismayed whatever betide, God will take care of you." We trust that we shall all be united again and shall live for ever and ever in that beautiful land of rest, Peace to their ashes and Rest to their souls.

## VISITATION.

May 2nd, 1922, found me in Louisville, met the following Temples, in joint session: Zion No. 1, St. Mary No. 2, Friendship No. 4, Star of Carthage No. 9, Star of the West No. 13, Good Shepherdess No. 16, St.

Rose No. 17, Eastern Star No. 21, Friendship No. 25, Vasti No. 28, Olive Branch No. 29, Star of Esther No. 30; found them in fine condition. The joint meeting was opened by our Deputy Grand Princess, Sister Cora Richardson, after which the Ladies' Auxiliary arrayed in full uniform, filed into the room to the delight of every one that was present, to witness their coming. We were also favored with an elegant Quartette from the Brotherhood, which was a rare treat. We were also honored with the presence of our worthy State Grand Secretary, Sister E. B. Brown, who gave a very interesting talk. After business was over, we were then invited to the dining room where we refreshed ourselves. I was presented with a beautiful cake by Sister Eliza Arnett and Sister Lou Fuel.

May 3rd, found me in Harvesville; Owensboro, 4th; Henderson, 5th; Marshal, 6th; Corydon, 8th; Morganfield, 9th; Providence, 10th; Madison ville, 11th; Earlington, 12th; Morton's Gap, 13th; Greenville, 15th; Dawson Springs, 16th; Paducah, 17th; Cadiz, 18th; Trenton, 19th; Allensville, 20th; Russellville, 22nd; Gordonsville, 23rd; Frankfort, 24th; Lawrenceburg, 26th; Versailles, 27th; Lexington, June 1st; Harrodsburg, 2nd; Perryville, 3rd; Atoha, 5th; Danville, 6th; Junction City, 7th; Houstonville, 8th; Summerset, 9th; Shelbyville, 10th; Bloomfield, 13th; Lancaster, 15th; Davistown, 16th; Paris, 19th; Cynthiana, 20th; Covington, 21st; Earlarger, 22nd; Maysville, 23rd; Flemingsburg, 24th; Millersville, 26th; Carlisle 27th; Little Rock, 28th.

I must say I was treated royal, everywhere we visited the Sisters did everything in their power to make it pleasant for me. We met the Juveniles at each place on the afternoon the day of our visit, and I was the recipient of quite a few tokens from the different Juvenile Departments. Temple No. .... of Paris, Ky., presented me with a lovely Silver Cream Ladle which was highly appreciated.

At Providence, May 10th, we organized the Royal House with 39 members. Also at Madisonville, May 11th, with 25 members; Earlington, May 12th we organized a Royal House with 45 members; Winchester, with 59 members. The Temple at Columbia has gone out of existence, but thanks be to the Lord who giveth us the victory they are alive again and in good working order.

I find in going over the Jurisdiction we are increasing greatly in membership. Sisters, there is a great work for us to do; we must make the Order interesting to make it attractive for our young members. I want to ask the prayers of this body of loyal brothers and sisters in behalf of two Temples at Cadiz. I have been struggling for about three years to bring them together. I have been trying to impress them with this thought, that in union there is strength. I believe our prayers will be answered. I have not given up yet. Sisters, we must be more concerned about our children for in all ages they are the hope of the con-

ing generation, and realizing that they some day must take our places when we have passed to the great beyond. Therefore we must train them up in the true principles of the Order, and as the scripture teaches us, "Train up the child in the way it should go, and when it is old it will not depart from it." Some of our Juvenile Departments have organized a military department, which will mean much to this Order in the near future.

Dear Sisters and Juveniles, I would like to personally mention each and all who have shown me favors, but it would require too much of your precious time and space, so let me say from the bottom of my heart to all of my Sisters and Juveniles I extend to you my heartfelt thanks.

For years there was a cry made throughout the State of Kentucky, what was it, we need a home? Finally the home was purchased and it seems now that we are standing still. There has been another cry made throughout this jurisdiction, Please open the doors and let us in, to care for our Widows, Orphans and Aged, superannuated members. If we are ever going to be in need of a home it is now. If we cannot use this one, Brothers for the Lord's sake do not dream so much about oil being there. But let us dispose of it and buy elsewhere so we can get a home in operation. The sun is too high now for us to sleep and dream of things no one has ever thought of. Brothers, let us stop dreaming and go to work, for we will all be gone to the other shore, and we will have a home then. What we want is a home now. We cannot afford to have so much money involved just for two or three bags of potatoes. Sisters, what say you?

In the city of Harrodsbough, in 1918, you placed upon my shoulders a great responsibility. You commissioned me to go forward and impose the banner of Justice, Mercy and Truth. I accepted the trust, assumed the responsibility, took the obligation, went forth in the name of Him who rules both heaven and earth to deliver the message of peace and good will in accordance with our ten mysteries.

If I have fallen short in my efforts in carrying out your will in advancing the work of the sisterhood in the State, I assure you in the name of our heavenly Father that the failure was not due to the willful neglect and official carelessness. For whatever I have done I have endeavored to create a spirit of push, with the sisters that we may grow, and forever keep its high standard as we have always done throughout the jurisdiction. It would be selfish in me indeed were I to close this report without going to the Officers of the Grand Temple, who have done so much to make this year's work a success. The members of our Grand Board have ever been active in looking out for the best interest of the Grand Temple. I wish to thank them for their hearty support during my administration. I wish for you a happy and

prosperous session, and pray that our words and actions may be guided by that wisdom which cometh from above. And when we shall go from this session may each carry with him the fond recollection of duties bravely done, noble sentiments magnanimously disseminated and character cautiously sustained.

Again thanking you for the confidence place in me and the loyal support with which you have sustained this administration, wishing one and all the prosperity and happiness which comes to the upright in heart. Let me be a woman in this world of beauty, let my labors be of love, not for a sense of duty, ready with my hands and heart, glad to do a woman's part. In the quite little sphere where I've been placed to labor here, let me be a woman.

Your Sister in Justice, Mercy and Truth,

NELLIE M. HAGGARD.

#### RECOMMENDATIONS.

First: I recommend that no one shall be placed in nomination for State Grand Princess, or Vice Grand Princess, who has not served as Princess in their local Temples.

Second: Recommend that the Assistant Grand Secretary be allowed to attend the Board meetings, since she would have to assume the responsibilities in the absence of the Grand Secretary, then she will be in touch with the work and will know where to begin.

Adopted.

Third: Recommend that before a sister's endowment is paid to their beneficiaries that a certified bill be produced from the undertaker. For so many times the beneficiaries go with the money in their pocket, and the funeral bill remains unpaid. We feel that each sister should provide that her just debts be paid and the remainder be paid the beneficiaries, if she has not enough for the body to be buried outside of the endowment funds.

This recommendation was not adopted.

Fourth: In going over this jurisdiction I find so many of our Temples marching through the streets behind big drums, which I think is very unbecoming for ladies as well as S. M. T's. We should always look forward to things that have a tendency to lift us up. Therefore I recommend that no Temples be allowed to march upon no occasion, but does not include auxiliaries.

Adopted.

Fifth: We recommend that the Grand Temple create the office of Grand Organist, whose duty it shall be to preside at the organ, and have charge of the selections. The Grand Organist to receive one dollar per diem.

Adopted.

Sixth: Last but not least, as it has been our custom to save the best for our sisters until the last, take it gently, Sisters, it will do you good. I recommend that where a sister is appointed to set up and fails to go without a lawful excuse or furnish a substitute, shall be fined the sum of (\$2.00) two dollars. Trust that you will consider this as it is best for the Order, and we are obligated to care for our sick, and have gotten to the place where we do not care for a dollar.

Adopted.

### REPORT OF E. B. BROWN, GRAND SECRETARY.

August 7, 1922.

Most Worthy Princess, Grand Board of Managers, Officers and Members of the State Grand Temple and Visitors, Greetings:

Through the kindness of an Allwise Providence we are permitted to again meet in Justice, Mercy and Truth.

This session marks the close of another two-year period and it is with a heart abounding with gratitude and a conscience void of offense that I appear before you to render a strict and accurate account of my stewardship as your State Grand Secretary.

The many days and months through which we have passed, since last we assembled, have been crowded with many and various events and happenings, both state and nation-wide "change and decay in all around we see; yet He who changes not still abides with thee."

Through the leadership of the lamented Past State Grand Princess, Edmonia G. Balkman, and our present State Grand Princess, the modern Joshua, the progress of the State Grand Temple of Kentucky has indeed been phenomenal. If we take a retrospective view of the past and an optimistic view of the future we must admit that the success of our Grand Temple is well established, the sign is going up and the future stands out before us full of hope for grander and more noble achievements.

We, as Kentuckians, have a just pride in our organization, indeed it is almost a jealous pride. When we think of those perilous days in the early sixties when the principles of the Order were first formed in the hearts and minds of those sainted men of God who dared blaze the way for future posterity by establishing this time honored fraternity, we are not amazed that you may ask "Can anything good come out of Kentucky?"

Mr. Chairman, as a native Kentuckian, whose parents were pioneer members of the Order, I shall always contend that we owe those sainted heroes, not only a lasting debt of gratitude but a suitable memorial to which we may point with pride and which shall stand as a beacon light for our Juveniles who are coming on apace.

Worthy Princess: As your humble servant, I assure you that we have not been asleep at the switch but instead have tried to grasp each spare moment for improvement that we may serve you more efficiently. I shall not attempt to enumerate the many peculiar requests which we have received, but suffice it to say that your Grand Secretary has learned to cultivate the third attribute "Patience."

The law requires us to close our books June and September 30, December and March 31st, in order to summarize the business of a given period, but literally speaking the Grand Secretary's record is never closed. You have demanded our time and attention at all hours, by phone, special delivery and personally and quite often have we been forced to sacrifice pleasure for business. I have been summoned to court in person and by proxy—the result in each instance was victory for the Grand Temple.

Unity, Brotherly Love and Friendship, the three links which bind us here on earth, must some day be severed. It was our painful duty, during the past two years, to record the demise of 230 members who have gone on before to join that Grand Lodge above where peace, happiness and love doth continually reign and where Justice is supreme.

It has been my privilege to attend each meeting of the Grand Board of Managers to submit the quarterly statement, also to report any irregularities as well as to report the progress of the Order throughout the jurisdiction.

I wish to thank the Grand Board for having stood so loyally by us and for their unstinted praise of our efforts in your behalf.

Through errors and mistakes we acknowledge our humanity, for it is human to err, but Christ-like to forgive.

In conclusion, let me say that I have served you the best of my ability without fear and without partiality. I leave the results with you.

My quarterly and annual reports follow.

Respectfully submitted,

ELLA BEATRICE PROWN,

Grand Secretary and Secretary Relief Fund.

## REPORT OF L. T. EVANS, GRAND TREASURER.

Officers and Members of the State GRAND LODGE of U. B. F., S. M. T.'s and Juveniles:

Time has again brought us together that we may recount our successes and failures, our joys and vexations, our progress and our blunders; and after carefully weighing and considering our affairs in general we are glad to report that much may be noted on the favorable side of our ledger.

First we are glad to note that our death list has not been so discouraging as it has many times in the past.

Our membership is slowly but steadily growing, and as for our finances, we are safe to say that you will note from my financial report, that there is a gradual but substantial increase in our bank accounts, and after all perhaps the balance is not by any means the least important item for consideration, for rest assured, dear sisters and brethren, a state organization with a growing deficit is not the most encouraging predicament to face.

Speaking of finances, I would like, just here, to suggest that years of experience and practice have had much to do with making for greater efficiency on my part at least, and the dispatch, promptness and accuracy with which we have handled your finances since our last meeting, have, we hope, been a source of satisfaction to all parties concerned.

We have striven hard to be accurate. We have also tried to be pleasant, affable and courteous to each and all, for I am not unmindful that all these qualifications combined ought to and will make for greater confidence and general satisfaction.

You must not get the idea that I mean everything has been done with absolute perfection. Not at all. There are none perfect. But I do say that no pains have been spared to make the past term's work entirely up to the standard in every respect.

To witness the same we refer you to our open record and financial report.

LOUISA T. EVANS,  
Grand Treasurer and Treasurer Relief Fund.

## REPORT OF GRAND BOARD OF MANAGERS.

Shelbyville, Ky., August 8, 1922.

Worthy N. G. Princess, Worthy State Grand Princess, Worthy Grand Master, Officers and Members of the State Grand Lodge and Temple of the State of Kentucky, Greetings:

After the expiration of twenty-four months it seems pleasing to Almighty God, to permit us to assemble in this Grand Session to give in a small measure a report of our stewardship. For this fact we unanimately regret we have not words to express our gratitude. However, we feel extremely gracious for God's mercy and goodness.

We are glad to report, regardless of the many knotty problems that have come before us for solution, each meeting has been both pleasant and harmonious. At all times we have found the reports of Grand Secretary, Grand Treasurer, together with the Auditor's, accurate and correct. Our Grand Secretary's system of bookkeeping is so perfect, that there could be found at any time immediate information. Her books so systematically kept, that we can boast fearless of contradiction, of our Grand Secretary is second to none in the whole jurisdiction. We have paid since the last session 218 death claims with a creditable balance which the annual report gives you, which answers the questions of failure or success.

**MRS. SUSIE E. TARDIF, Chairman Grand Board of Managers.**

We surrender unto this Grand Temple the incumbrance of this vital and important office, which you gave to our keeping. We trust we have not put to shame the honor extended us, or shaken the trust invested. Earnest prayers and unstinted efforts have continuously characterized our actions to render the service required of us. While we have done no more than others can do, we thank God we have done all that our power and ability have permitted. The quarterly reports have from time to time given you the correct financial proceedings, and if we've at any time erred, it is to our sore regret. We have carefully weighed and investigated all cases that have come to our consid-

eration. We have tried to adjust each according to the law. The justness and evidence of the substance regardless of persons. We feel some information should be given relative to the nonpayment of the increased salaries. The increased salaries have not been paid, due to the fact that the funds were insufficient to pay all. The Grand Princess, Grand Secretary, and Grand Treasurer knowing so well the insufficiency of the funds, suggested and agreed, to wait until the meeting of this Grand Session, for their increase, at which time we hoped to have funds to cover same. The Grand Board found it forcibly fit to order all officers to be paid by old salary scale, and to withhold the increase.

**MRS. NANNIE L. FIELDS, Newly Elected Secretary G. B. M.**

until the meeting of this session so that sufficient funds could be collected. To pay the increased salaries the Grand Temple tax must be raised, as the present taxation will not take care of it, without entering other funds, which would be contrary to the laws of the State. We come before you at this hour bearing the mantle that it has been a real pleasure to wear. Finally, Grand Temple, we wish to thank you for the pleasant and valuable experiences contributed by this office. We wish to thank all officers, Grand and Local, for any assistance given us in the performance of our duties. May peace, harmony and success ever reign in this united Order is our prayer.

J. L. POOLE, Chairman.

## REPORT OF GRAND AUDITOR AND DEPUTIES

### REPORT OF PROF. W. H. HUMPHREY, GRAND AUDITOR.

The Grand Auditor can truly be called the watch dog of the treasury. It is his business as Grand Auditor to keep a direct line on the sources of receipts, on the channels of expenditures, to make balances between these, and to report these findings to you at stated times. In substance it is the Grand Auditor's business to pass judgment upon the accuracy or inaccuracy of the Grand Secretary's and the Grand Treasurer's reports.

Hence, as your Grand Auditor, I wish to state that the report of Bro. Russell as read, the report of Bro. Glass, the report of Sister Brown, and the report of Sister Evans, are correct in every detail. To repeat the facts and figures, which these four Grand Officers have just given, would be simply to give additional approval to them, and at the same time to use some of your precious time in a way that would not bring additional profit and enlightenment, hence I shall forego that pleasure at this time.

In the discussion of any individual's work or duty, performed, it is difficult to keep separate the individual and his work. Without this human element, touch or connection, facts and figures, dollars and cents, mean nothing. They lose their attraction and interest. The work, done by these Grand Officers, in their respective offices, since our Stanford meeting, has been highly efficient, strictly business-like, sanely modern, decidedly gratifying, and phenomenally result getting—as their reports have just shown. To us, the names of Glass and Evans, have become household words for honesty and fair, square business dealings—the mere mention or thought of H. C. Russell and E. B. Brown, brings to our minds what efficiency, ethical dealings, ability and training, as well as ripe experience and broad intelligence, mean in their best and highest sense. The loss of the services of any of these Grand Officers, by death, resignation or otherwise, would mean not only a financial loss to these two Grand Bodies, but also a loss in efficient service and expert training in these respective fields.

This report would indeed be lacking in one essential respect, if it failed to mention the wonderful co-operation, sympathy, and constructive help given the Grand Secretaries and Grand Treasurers by your two Grand Boards and by your Grand Worthy Master, and Grand Worthy Princess.

The Grand Male Body has to its credit on this date, in cash, notes and investment \$15,259.66.

The Grand Sisters' Temple has to its credit on this date above all indebtedness, \$8,305.49.

Both, \$23,565.15.

Fraternally submitted,

W. H. HUMPHREY.

Grand Auditor.

#### REPORT OF CENTRAL DEPUTY.

Shelbyville, Ky., August 9th, 1922.

National Grand Princess, State Grand Princess, Officers and Members of the Grand Temple of S. M. T. and Juveniles of Kentucky,  
Greetings:

After another twenty-four months have passed I have been permitted to come before you in this your 7th annual session to report to you my commission. Words are inadequate for me to express my appreciation and thanks to the Temples that I visited.

Every place I went, I was cordially received. I visited Temples and Juveniles at the following places: Icy Sink, Smith Grove, Horse Cave, Springfield, Lebanon, Campbellsville, Simpsonville, LaGrange, Anchorage, Pewee Valley, Normandy and Jeffersontown.

I examined all books, and find the Temples in good condition.

Thanking you for the honor conferred on me in appointing me Central Deputy, wishing you and the Grand Temple a peaceful and harmonious session, I remain yours in J. M. & T.

CORA RICHARDSON,  
Central Deputy.

#### REPORT OF WESTERN DEPUTY.

Shelbyville, Ky., August 9th, 1922.

Greetings:

It is with the greatest pleasure I present to you my second annual report. I am indeed thankful to our Heavenly Father, for sparing me and giving me health to attend this Grand Session.

In accepting this office, I have tried to realize the importance of the duties before me. I realize those engaged in our Order and wear our emblem of Justice, Mercy and Truth, must first be a Christian in order that you may confer justice with mercy, and to make truth your watchword.

I received my assignment from the S. G. P. and I visited the following Temples and Juveniles: Green River, No. 40; Calhoun, Rising Sun, No. 14; Princeton, South Carrollton, Emerald Temple No. 81 and Juveniles Howard Temple No. 126, Fredonia, Holly Temple No. 65, Friendship Temple No. 31, Lafayette, Rebecca Temple No. 113, Pee Dee. As my train was late at Hickman and Hopkinsville, I met the Princess and Officers and examined their books and I find them in splendid condition, working in peace and harmony.

I have tried to impress upon the minds of the sisters, that the true mission of our work is not only to care for the sick and bury the dead, but its true mission is to make life about us higher, nobler and grander by stretching our hands to help the fallen, look after the weak, and give them words of counsel and encouragement, help them to higher plans in life, and eventually make them fit subjects for the kingdom of heaven. With a heart full of love and devotion, I bring you cordial

and hearty greetings, and submit for your inspection and approval the labor of this office. Many thanks for the honor, and whatever success has been mine I owe it to you for your kindness and assistance. I have done the best I could at all times. Thanking you again, I am yours gratefully,

SUSAN CARR,  
Western Deputy.
