

ABBAY OF GETHSEMANI
TRAPPIST, KENTUCKY

Sept 21. 1961

Dear Dr. Monaghan.

Thanks for your latest contributions — I am grateful. I don't get much time to write these days & so you don't hear from me, but in any case I want to send some more manuscript material including an MS of a book to be published this fall. And other odds & ends.

I am always grateful for the chance to borrow books from the library. Many thanks.

Very cordially yours in Christ

J. M. Louis
