

The GREEN BEAN

Number 555

August 18, 1989

NEW TASK FORCE

A Task Force on Staff Working Conditions has been created to examine library clerical and technical staff concerns and also to help make changes to improve library working conditions.

As a follow-up to an ACTs survey last spring, the Task Force Committee is developing a more in-depth questionnaire which will be given to all clerical and technical employees. The Committee will make every effort to reach all employees, and we hope that if enough staff members respond to the survey, the suggestions will lead to positive changes. Staff input is very important and very valuable, and the Committee encourages staff members to share concerns and suggestions by participating in this survey.

Committee members are: Pam Brackett, Karen Cline, Jeff Frey, Jennifer Michener, Kate Seago, and Sue Burch, Chair. (Submitted by Sue Burch.)

GPD CLOSING

GPD will be closed August 14-18 so that we can finish some shifting and reshelving the materials that had to be moved this week to avoid water damage. We will respond to telephone inquiries if we are in room 116 when the phone rings. The door to room 123 (Sande's office) will be unlocked, but closed. Library staff members are welcome to come in if they need to use room 116 material themselves, or retrieve material for a patron to use elsewhere in the library. Since the stacks are open already, this week will be no different than any other so far as their use is concerned. Please remember that nearly all of our SUDOC fiche is now housed in room 116, so these materials will be restricted to staff use or retrieval during this week as well. (Submitted by Sandra McAninch.)

of Kentucky Libraries

TRANSPORTATION CENTER CHANGE

Laura Whayne's phone and room numbers have been changed. Her new phone number is 7-2155, and the room number is 203 Kentucky Transportation Center, 00431.

AACR CATALOGING WORKSHOP

The UK College of Library and Information Science will sponsor an Anglo-American Cataloging Rules Workshop on Friday, August 25th in Room 228 of the UK Student Center. The Workshop, conducted by Dr. Lois M. Chan, is designed to provide participants with a review of the changes introduced by the 1988 revision of AACR2. It will run from 9:00 a.m. to 12:00 noon and will cost \$20.00. Registration with a check should be sent by August 10 to the following address, or call if the date has passed:

Ms. Nancy Dare
College of Library and Information Science
502 King Library
University of Kentucky
Lexington, KY 40506-8876
(606-257-8876)

* PERSONNEL NOTES *

THANK YOU

LSO--
Dear Associates,
Thank you so very much for the lovely lead crystal vase. I put the flowers from my retirement party in it. It is perfect sitting on the coffee table in my living room. I will use it often and think of you all. Your thoughtfulness meant a lot and was very much appreciated.

Sincerely,
Jessie Adams

ABOVE AND BEYOND

Sandee McAninch received this memo from Judy Brown:

One of the debaters stopped by the circ desk the other day to say that John Walker had been more helpful to her than any other library staff member during her stay at UK so far. His explanation about the material in GPD was very clear.

Thought you would like to know.

EDITOR'S NOTE: Due to a weak ribbon on my computer, the Green Bean couldn't be printed clearly for the week of August 4th. That is the reason for the delay. Hopefully this won't happen again and future issues will come out on time. I apologize for any inconvenience this has caused.--LB

NEXT GREEN BEAN: FRIDAY, SEPTEMBER 1, 1989.

DEADLINE: FRIDAY, AUGUST 25, 1989.

GREEN BEAN STAFF:

Lew Bowling, editor and typist; Cecil Madison, printer.
