CHEMISTAY

Chemistry Department

The Chemistry Department is pleased to announce the following activities for the upcoming year. The department will be holding a series of seminars and workshops on the latest developments in the field of chemistry. These events will be held in the departmental lecture hall and will be open to all members of the university community. The department also plans to sponsor a number of field trips and conferences throughout the year. For more information, please contact the department secretary at (555) 123-4567.
