ABOUT THE LIBRARY

Booksale

The Facts: The sale grossed \$913.00, which will be deposited in the General Funds for the purchase of library materials. Everything was sold by early afternoon on Friday.

More than 120 volunteer hours were donated during the two days. "Friends of the Library," among whom were former staff members, the wife of a former University professor, and just plain friends made the event successful. David Farrell orchestrated sale. Thanks to him, and to these who worked hard and enjoyed it: Anne Campbell, Manager, Beverly Farrell, Jean Gossick, Jackie Hopkins, Betty Kirwan, Jean Whitney, Olivia Buckner, Gail Kennedy, Mgr., Karl Boewe, Phil Dare, Claire McCann, Betty Tevis, Barbara Hahn, Barbara Randolph, Ruth Vaughn, Mgr., Susan Allen, Betty Kirwan, Bill Marshall, Mrs. Tom Whayne, Melba McHone, Trudy Purcell, David Farrell, Mgr., Jacqueline Bull, Frances Lowery, Mary Powell Phelps, Gay Reading, Terry Warth, and Martha McMeekin.

Bake Sale

Thanks to all the staff who donated baked goods and who bought goodies. The proceeds will help finance the picnic and other social functions as well as programs.

Gnomes vs. The Rest

Is it modesty on the part of the Super Gnomes, reluctance by the Rest of the Library? There have been no loud hurrahs, no open weeping to hint the outcome of the softball game at the May 6 picnic.

Investigative reporting - that is, asking one of the participants - has revealed that the Gnomes won. But Peggy Lewis assures us that the Rest gave them a good game, and that they triumphed only after a hard and well-fought battle.

When is the rematch?

FUTURE PLANS

Picnic to be Held at Keenland

All staff members and their families are cordially invited to the 1979 LSO picnic at Keeneland, Friday, 29th of June, from 3pm on. Formal announcements and sign-up sheets for food will be sent to departments shortly.

ALA at Dallas

ALA is sponsoring its first workshop for library newsletter editors in a pre-conference June 22 and 23. The program indicates that more sophisticated publications than the Green Bean are the order of the day. But those interested in writing and editing might find the days worth while. For further information, see Mr. Willis.

RESERVE

The "Text of Conclusion and Recommendations of National Inquiry into Scholarly Communication" has been placed on "reserve" in the Circulation Department in Mr. Willis' name.

SPEC Kit

The Reference Department has received a new SPEC Kit, #53, entitled "Performance Appraisal." The SPEC Kits are published by the Systems and Procedures Exchange Center of the Association of Research Libraries. They are available at the Reference desk.

STAFF DEVELOPMENT COMMITTEE

Final Report

The Staff Development Committee had a busy year. We sponsored an Emergency Medical Workshop, a program on The Handicapped and the Library, which was very informative and timely in view of Section 504 of the Rehabilitation Act, and a film, The Time of Your Life which dealt with organizing your time. We continued to promote the study of foreign languages by sponsoring Russian for Librarians, which was again successful. Karl Boewe has agreed to teach German for Librarians which will be ready in the fall. I have spoken to Nancy Little in the College of Library Science about the possibility of getting CEU credits for these courses. She thought it was a good idea and stated that the College of Library Science would be willing to co-sponsor these programs. I will continue to work with her on this and will hopefully have something arranged by next fall. We would like to urge the next Staff Development Committee to continue sponsoring these language programs, possibly adding a French for Librarians. We would also like to see the Emergency Medical Workshop become a regular program of the Committee.

English As a Second Language

It is a program designed mainly for students from other countries who need to gain English proficiency. The eight week - June 14 - August 9, 1979 course will meet three hours daily. For further information, contact the English Department.

CRL Intern Program

A reminder of Academic Library Management Intern Program for 1980-1981. For further information, see Mr. Willis.
