Dear Sir:

We are forwarding to you herewith Coal Pro 3089 covering all-rail shipments of "C" Seam Coal. We are also enclosing a copy of our letter to Mr. H.F. Hughes of the Traffic Department in regard to obtaining equipment so that you will be able to ship this coal.

We have shown on this Pro the weekly shipping schedule of "C" Seam Coal as contained in Mr. Robertson's letter of January 5, a copy of which we understand you received while at the Steel Works yesterday.

This will be followed closely and should any changes be necessary, you will be promptly advised.

Yours very truly,
