FOR MR.

Mr. R. E. Galbreath, Superintendent.

YOUR LETTER

SUBJECT
OR FILE NO.

We are attaching hereto copy of inventory of company fire arms as of April 21, 1938, showing number of each, to whom issued, and the location of these fire arms at the present time.

A thorough and accurate check has been made and found to be correct with the exception of a shortage of two 38 Smith & Wesson Revolvers. We are giving you below such information as is shown by our records as to these revolvers:

1. One 38 S&W Revolver No. 165339 issued to C. C. Cheatham as Watchman on July 20, 1936, in exchange for one 45 New Service Colt Revolver No. 315589. Every attempt has been made to locate this revolver, but we are unable to do so.

2. One 38 S&W Revolver, 6" barrel, No. 279389 issued to J. C. Cornett. We were informed by Mr. Cornett that this revolver was stolen from his home, and the whereabouts of this revolver is unknown to him.

Yours truly,
