

Benham, Ky., Jan. 20, 1919.

Mr. B. W. Batchelder,
Gen'l Supt. of Mines,
Nashwauk, Minnesota.

Dear Sir:

I would like to have you consider the following matters:

1. A new mine scale for #1 and #2 mines. I feel that this is very important to decide this month as this scale will have a direct bearing on any labor troubles that may arise in the spring.
2. Hoist for #2 supply incline.
3. New butcher shop with refrigerating plant with at least three tons of ice capacity per day.
4. The re-arranging of our commissary so that we can handle the increased trade.
5. New school houses for both white and colored.
6. Picture show.
7. Restaurant and lodge hall.
8. Appropriation for installing water in West Benham.
9. Appropriation for streets and side walks and fencing West Benham.

If necessary I can go to Chicago and you can reach me by Western Union at Brockwayville, Jefferson County, Pa.

Yours very truly,

WISCONSIN STEEL COMPANY
