Gentlemen:

We have heretofore executed bonds for your peace officers but it seems from the position taken by the surety company several months ago that we would not be able to execute these bonds after the end of this year. Only one of the officers' bonds, to wit, James C. Cornett, will expire the first of the year and the company has already sent us a renewal certificate.

Since the bond was made in favor of the Sheriff of Harlan County without naming the Sheriff, we do not believe that there will be any need to execute bonds until the ones in force expire and it seems now that we are going to be able to continue the bonds.

Mr. Sampson can get in touch with us when the officers are sworn in and we can go with them to the Sheriff's office or you can send the officers by to see us, and we will go with them to see the Sheriff.

CTD/ELF

Yours very truly
