

Estimated Cost of Felting and Painting Office at Supply House.

Felting and Painting with
water-mixed paint:

6 rolls Felt @ 2 ⁵⁰ roll	15 00	
6 gal. Armatone Paint @ 1 ⁶⁰ gal.	9 60	
70 hrs. Labor @ 1 ⁰⁰ per hr. (approx.)	70 00	
		94 60

Cost to paint with regular
Flat Paint and Enamel, as
in the past:

6 gal. Flat Paint @ 2 ⁴⁰ gal.	14 40	
4 " Enamel @ 3 ⁰⁰ gal.	12 00	
48 hrs. Labor @ 1 ⁰⁰ per hr. (approx.)	48 00	
		74 40

Cost of future painting
if Felt is applied now:

4 gal. Armatone @ 1 ⁶⁰ gal.	6 40	
17 1/2 hrs. Labor @ 1 ⁰⁰ per hr. (approx.)	17 50	
		33 90

Did not
by Mr. [unclear]
11-23-44

Increased cost of Felting would be more than
offset on first painting after the original job.

Applying felt would make office warmer
and would eliminate dust settling in
the various cracks and crevices in the
walls. It would also greatly improve
the appearance of walls.
