Mr. F. D. Perkins, Chairman,
Harlan County Chapter,
American Red Cross,
Harlan, Ky.

My dear Mr. Perkins:

I have been asked by a Mr. Creech, one of the residents of this section, to try to locate his brother, whom he believes has gone to France. He gives me his last address as follows:

Private Robert B. Creech,
Serial #413754, Medical Department,
51 U. S. Infantry,
Camp Forest, Ga.

This last address I understand from him was June 8, 1918. Could you through the American Red Cross get a line on where this man was transferred to so that his brother might write him as he has not heard from him for some time and I believe his mother is worrying about the boy. If you cannot do anything from your office, perhaps you can advise me the proper party to address at Washington and I will be glad to take the matter up and see if I can get some information on this man.

Thanking you very much for anything you can do, I am,

Yours very truly,

WISCONSIN STEEL COMPANY
