ADDRESS ALL CORRESPONDENCE TO  
INDUSTRIAL ACCIDENT DEPARTMENT  
HARVESTER BUILDING  
(THIRTEENTH FLOOR)

March 12, 1912.

CHICAGO.

TO WORKS SUPERINTENDENTS:

Dear Sir:-

ACCIDENT REPORT - JANUARY 1912

We enclose herewith accident report for the month of January 1912, giving you such information as may be of interest.

~~This~~ statement does not include the number of time lost cases and percentage of same to employes for the reason that we have received this information from only a few of the Works.

The February statement is being delayed on account of lack of information from the majority of the Works as to average number of employes and number of time lost cases.

If our reports are to be of any value they should reach the Superintendents, as soon as possible, after the close of each month, but this Department cannot compile the reports before the Works advise us promptly of the average number of employes and the number of time lost cases.

Very truly yours,

H. J. Sameit,

Secretary.
