FOR MR.

E. D. Sturgill

YOUR LETTER

SUBJECT J. E. RENO - ACC. #270-D  
OR FILE NO.

*S*

We received your letter of August 30 and also received a copy of Mr. Sampson's letter to you under date of September 2.

We assume that it is your desire to offer settlement based upon 25% disability of the leg, which is slightly more than the estimate of disability made by Dr. Mullen. In view of all the circumstances in the case, we agree with Mr. Sampson's opinion and suggest that the case be closed out on that basis.
