Dear Rose Ellen,

Hi ya babe, boy I haven't done this for so long, I almost forgot how. Three months - what the longest I ever waited. I guess, isn't it? I really am sorry, no fault, but the longer I waited it seemed the harder it was to get started. I really don't quite know what to say although there should be plenty to say after 3 months, shouldn't there?

We've been teasing around quite a bit lately, and have been going to dances. Just lately we haven't been to any, but I mean lately I've gone to more than I ever have. It's really a lot of fun & do you ever meet the kids. I've met a couple of kids through dances that are really swell. I've ~~been~~^{gone} out with one of them a couple of times. She met there a couple of days during my vacation. She drove over to Echoak Lake, it's a Jewish resort, but swell. If you ever want to get a load of ritzy juke from Chi Echoak Lake is the place to go. We were over to Crystal Lake & Cedar Lake. Roads, swimming is perfect at Crystal & Echoak. Had a very nice vacation, although we didn't take an extended trip of any kind. Just went here & there whenever we felt like it. As usual we
