

# WHY ELECT DAWSON

2/13/61  
Happy Birthday  
The only changes are—  
You are smarter  
and if possible more  
kindness—  
M. J. [unclear]

**B**ECAUSE Dawson KNOWS Kentucky's needs through years of actual service to his State.

Because Dawson has made a record in the office of Attorney General which PROVES that he is a trained and capable administrator.

Because Dawson is a man of the people—one who by self-sacrifice and honest toil has worked his way to the top.

Because Dawson has pledged himself to keep the charitable and penal institutions of the State out of politics by re-appointing the present Board of Charities and Correction.

Because Dawson is pledged to good roads and a road program administered by an non-partisan Board made up of men you KNOW and whose names he gives you IN ADVANCE.

Because Dawson FRANKLY and OPENLY states his position on the coal tax, the pari-mutuel issue, and on every other vital question of the campaign.

Because Dawson is the nominee of his whole party and not of a small political clique.

### And Because Dawson Says:

"I challenge any person to point to a single public act of mine which indicates that I ever have been or ever can be controlled or influenced improperly by any person or interest in the discharge of official duties. IF I AM ELECTED GOVERNOR OF THIS STATE I SHALL BE CONTROLLED BY NO MAN OR SET OF MEN, BUT WILL BE GUIDED ALONE BY MY CONSCIENCE AND BY WHAT I BELIEVE TO BE FOR THE BEST INTEREST OF THE PEOPLE OF THE COMMONWEALTH."
