

Dear Jonathan

Thanks for the letter and info.

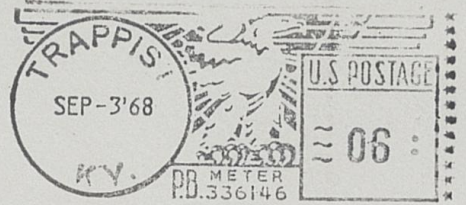

I have done about four Char poems if I can find them. I'll try to get them typed up and send them along, but I am in too much of a whirl to see anybody more-- besides those I already have to see. Have lots of work to finish and odds and ends to clear up and departure gets closer all the time (sometimes leaping a couple of days). I'll write from Tahiti or somewhere.

Best always,

Tom

Thanks for the TLS press - useful!
