

Mother was saying it minded her
of the days gone by, only
father was only one day at
the table, he does not eat very
much, & he dont care to come
into his meals, he enjoys them
best himself. I think he is
looking a little better lately he
was out a wee while ~~yesterday~~^{today}
He were sorry he was not able
to get his photo taken yesterday
we had two three groups taken.
One thing the weather is terrible
rainy, there is scarcely a day
since we came home but what
it has been raining. We are
going to the market tonight, it
is raining just now. Maggie
& Lizzie Rose are to be here for
a while. He spend a day with
Auntie & Dennis Derrick they were

My dear Danny.
Your letter was lying for Belle
& I when we came back from
Edinburgh on the Saturday.
We were real glad to hear you were
all well, & behaving yourselves.
Belle's father & George his brother
were here on Saturday & stayed
till the Monday. George is
a caution, he is not behind
his brother, we had great
laughs at him. I think Mr Edward
would think us rather a wild
crew, Maggie Jeanie Lizzie & Rose
came across with us. So we had
a lively household. We had
the Stewarts from the Hermit
& Annie Brown Agonye, about
twenty of us I sat down at
the table for three days or
end.
