ABOUT THE LIBRARIES

TRAVEL FUNDS

The Academic Libraries section of KLA is meeting at the end of April; limited travel assistance is available to those people attending who are members of that KLA section or who are participating in the program. Those people wanting travel money should send their names to Faith Harders by April 18; the amount of funding available is dependent upon the amount of people going.

SEASON OPENING!

The third annual Super Gnomes versus King Kongs softball game is set for 3:00 PM Sunday afternoon, April 20, at the Seaton Center field near the picnic tables. Come see if the Special Collections team can continue its winning tradition or if the King Kongs have discovered a secret weapon to pummel their worthy and obnoxious opponents. Entrance fees for the game are food for the hungry masses and loud mouths for cheering and jeering. Kong fans check with coach/manager Joyce Welch for information on needed food and equipment. Super Gronmes notify Susie Allen or Vicky Walker.

WHAT IS AN ACTS?

The letters stand for Assembly of Clerical and Technical Staff. This organization, whose birth originated from an idea by Paul Willis, began with meetings in the Fall of 1976. The first Executive Committee was made up of Lynn Shrewsbury (chair), Gwen Curtis, Ron Lloyd, Judy Fugate and Jeff Sauer. This year's Executive Committee is the fourth one the organization has had. With your interest, there will be many more.

GO BIG BLUE!

DESIRABLE PROPERTY UP FOR GRABS

The Agriculture Library has a set of Chemcial Abstracts Service Source Index (CASSI) to give to any interested party. The set consists of the main work covering 1907-1974 and the annual supplements through 1979. If you are interested in having this set call Toni Powell at 258-2758.

BOOKSALE

The University of Kentucky Library Staff Organization has been given permission to participate in the Library Associates Booksale April 24th and 25th. We will be selling paperback books only. Now is the time to clean out that bookshelf and get rid of those paperbacks too good to throw away. If you have some books you would like to donate, contact Sandra Muenks in the Cataloging Department for collecting arrangements.

LSO MEMBERSHIP CARDS

The LSO membership cards are out and being distributed. If you have paid your dues during March and do not receive a card by the end of next week, please let me know. Those of you who have recently paid your dues should be getting one in the near future. Those of you who have not yet joined--it's not too late.

Toni Powell, LSO President.

GO BIG GREEN!

LUNCH HOUR PROGRAM

The first LSO-sponsored Lunch Hour Program will be April 30th in the Cataloging Conference Room on the third floor of King North. The program will be on making silk flowers and will last from 11:30 AM to 12:30 PM. Bring your lunch and relax and learn about the art of silk flowers. The program is free to LSO members but, sorry folks, there will be a 50 cent charge for non-members to cover expenses. (Members please bring your membership card to ensure your admission).

FORMER STAFF MEMBERS

We regret to report the death of former Margaret I. King Library staff members: Mary Nooe, of the Catalog Department, and Elizabeth Geddes of Acquisitions Department. Obituaries are being prepared and will appear soon.

FISCAL YEAR CLOSING DATES

In order to allow the library to meet the Purchasing deadlines for the end of the fiscal year, Friday, May 2 will be the last day for any item outside Stores to be ordered; this includes items on price contract which will go through Purchasing and DAV orders processed by the Library. All items on order must have a June 30 delivery date.

After May 2 the Library will order only Stores supplies & local items from places like Cardinal or Transy. Those people who have last minute problems should see me or Marie.

Thank you.

Faith Harders

FOR GARDENERS

If your space is limited, why not turn the tables and add vegetables to your flower borders? Leaf lettuce is attractive as a border, and radishes will grow quickly and can be replaced with annuals. Try a tomato plant on a trellis or fence, and add some okra plants among your hollyhocks.

THE EDUCATION LIBRARY: A GUIDE

This guide is an excellent production and the Library should be congratulated on its comprehensive coverage, clarity and graphics.
