Washington Sunday Morning

My dear Annie

According to promise I
am seated to write a few lines to let
you know how Henry is - His attend-
ing Physicians and the Consulting
one have just left they say his
Symptoms are favourable - but every
Caution must be observed - he is as weak
as a baby - coughs terribly, and very
low spirited - his affairs trouble him
greatly and really I can't see
what is to become of him - Henry
does not seem depressed or much con-
cerned - runs on as usual and some-
times I feel like it is just as much
as I can do to keep from saying some-
thing - She thinks Henry very impatient
and he is as patient as me - and
a perfect marvel to me -
