THE K. N. E. A. JOURNAL

Published by the Negro Education Association

Editorial Office at 1925 W. Madison Street

Louisville, Kentucky

Atwood S. Wilson, Executive Secretary, Louisville, Managing

Editor S. L. Barker, Owensboro, President of K. N. E. A.

EDITORIAL COMMENT

THE 1940 CONVENTION

The issue of the K. N. E. A. Journal is devoted mainly to the 1940 convention program. Teachers and educators are urged to read it through and make final plans to attend the convention in Louisville from April 17-20, 1940.

If for any reason, a teacher cannot attend, by all means such a teacher should send the annual membership fee of \$1.00 so as to receive the proceeding of the meeting which will include the important addresses of the convention.

President S. L. Barker wants this to be the banner year in K. N. E. A. enrollment. Recall that he is anxious to have as many as possible pay a fee of \$1.50 and be listed as honor members of the K. N. E. A.

Be sure to bring your membership card and badge if you have already enrolled.

Support your profession; it supports you!

THE 1940 K. N. E. A. ELECTION

Voting on amendments and K. N. E. A. directors will take place on Friday, April 20. Voting will be by secret ballot at Quinn Chapel Church. Your membership card is necessary for securing a ballot, therefore, bring it with you. Important amendments to the K. N. E. A. Constitution are to be voted upon. These are found on page 27 of this Journal.

OUR FRONT COVER

On the front cover of this Journal, is a picture of the new gymnasium at Lincoln Institute. This building is a gymnasium and auditorium combined. A new kitchen and cafeteria are included in the new construction project. The building will cost approximately \$30,000. This marks another milestone in the progress of Lincoln Institute under the directorship of Whitney M. Young. The building contains a regulation basketball floor, 50' x 90', and a stage for school entertainments and assemblies. Lincoln Institute has had outstanding basketball teams and a comprehensive athletic program for recently they have been the state champions in basketball. The new gymnasium will meet the continuously expanding physical education program at the institution.

The building was designed by Mr. J. Mansir Tydings, business manager; and the building construction supervised by Mr. A. J. Pinkney, instructor in carpentry at Lincoln Institute.

ANNOUNCEMENT

"On The Trail With Lewis and Clark"

By

Bonnie C. Howard, Supervisor in

Louisville Public Schools

As a supplementary reader, Miss Bonnie C. Howard's "On The Trail With Lewis and Clark" serves two purposes. The book is so well organized that advanced pupils may skim along as it were; and backward ones may be helped at every step.

Variety is the book's catch word. Adventure has a flag for every breeze. History, geography, nature study and drama pivot a crusade that meanders from the Mississippi to the Pacific.

The reader may close his eyes and enjoy all the trickery of a natural movie.

Miss Bonnie C. Howard has given the teachers a book that will relieve study and the children a book that is their very own

PROPOSED AMENDMENTS TO THE K.N.E.A. CONSTITUTION

In accordance with the present constitution of the K. N. E. A. which was published in the October-November K. N. E. A. Journal, a series of amendments were submitted by R. L. Dowery. These amendments may be summarized as follows and if approved by two-thirds vote of the Association will be added to the constitution as listed in the announcements of the proposed amendments:

"That the K. N. E. A. have nine educational districts, the president of each district teachers association by virtue of his office to become a member of the K. N. E. A. Board of Directors. The Vice-presidents of the district teachers association are to serve as K. N. E. A. District Organizers. The Directors expenses will be paid by the K. N. E. A., except in the case where the director is more than 100 miles from the convention meeting place, in which case the additional expenses will be borne by the district association. Provisions are to be made to have these amendments effective after the April 1940 convention."

The K. N. E. A. Board of Directors recommend a change in Article 10, Section 3 of the constitution as published on page 38 and 39 of the January-February K. N. E. A. Journal. This Amendment may be summarized as follows:

"That there be 6 areas in Kentucky which will include the various district teachers associations. These areas are to be: (1) Western, (2) Mid-western, (3) Jefferson County, (4) Blue Grass, (5) Northern, and (6) Eastern Area. A qualification for membership on the Board of Directors will be that the person represent one of the above districts and that the president along with these 6 persons make a Board of Directors of 7 persons. The present Board of Directors would have the power to elect 2 additional persons to the Board of Directors following the 1940 convention, and to execute the ideas of the proposed amendments. The present are to include the counties indicated on the map of Kentucky on page 44 of the January-February K. N. E. A. Journal.

The Board of Directors of the K. N. E. A. recommended the following proposed amendment changing the Constitution:

"That Article V, Section I be revised to read as follows: "The annual membership fee for active members shall be \$1.50 per year to be paid to the Secretary-Treasurer at, or before, the time of the regular meeting or as otherwise provided. This membership fee shall include subscription to the K. N. E. A. Journal. Associate members shall pay an annual fee of \$1.00.

On Friday, April 19, teachers will have the opportunity to vote on these amendments. On the ballot, voting on these amendments will facilitate in the following summary form:

(1) Do you favor amending the K. N. E. A. Constitution so that teachers shall pay an annual membership fee of \$1.50 in accordance with the announcement on page 39 of the January-February 1940 Journal? Yes..... No.....

(2) Do you favor having the Board of Directors of seven persons, the president and 6 others who are to represent various areas of Kentucky in accordance with an outline of these areas as shown on a map on page 44 of the January-February 1940 Journal? Yes..... No.....

(3) Do you favor having this president of each of the nine District Teacher Associations becoming automatically members of the Board of Directors of the K. N. E. A. thus making a Board of Directors of 10 persons in accordance with the detailed announcement of R. L. Dowery on page 39 of the October-November 1939 K. N. E. A. Journal? Yes..... No.....

NOTE: Teachers are to vote **yes** or **no** on each of the above three proposed groups of amendments to the K. N. E. A. Constitution.
