NEW PHONES

Instructional Services has a new phone number — 257-1025. The old Instructional Services number (257-1949) is now the number for the Bindery. All calls for the Cataloging Dept. should be made to 257-3831. Further phone changes will be announced later after the MIK South 2nd floor move is complete.

SOLINET PROGRESS

Representatives from General Telephone Co. have been here this week installing the special phone lines and equipment which will be needed for the SOLINET terminals. The terminals themselves will probably arrive sometime in the next two or three weeks. It appears that OCLC is now on schedule with their installation and we can expect to be on line during the last of May or the first of June.

WOMEN IN MANAGEMENT SEMINAR

The College of Engineering Office of Continuing Education is sponsoring a three day Women in Management Seminar to be held May 27, 28 and 29 at Jefferson Community College. The full registration fee of \$150.00 (includes 3 lunches and 1 dinner) will be waived for one librarian. One-half of the fee will be waived for other librarians wishing to attend. Additional expenses such as room and meals will be the responsibility of each participant. Anyone interested in participating should contact the Director's Office.
