Kentucky Basketball Pr

A Special Message From Joe Hall. . .

During my nine years as head basketball coach at the University of Kentucky, it has been a tremendous thrill to see our basketball teams gain success and notoriety in the academic arena. It has always been my philosophy that a college athlete's number one objective should be to earn an undergraduate degree. In our basketball program at U.K., we are always conscious of this goal and motivate our players daily in this direction.

Our coaching staff demands the same from our players in the classroom as we do on the basketball court.

Through daily academic meetings, tutoring sessions, and study halls, our players develop a sound routine that is conducive to self-discipline and scholastic emphasis. Our Athletics Association has established a full-time academic advisor, who directs these activities and reports our players' academic progress to me on a daily and weekly basis.

I am convinced that academic success in college athletics today is being achieved at a high rate, and am very proud to say that with our 88% graduation rate over the past nine years, it is definitely being achieved in

LEONARD HAMILTON
Associate Coach

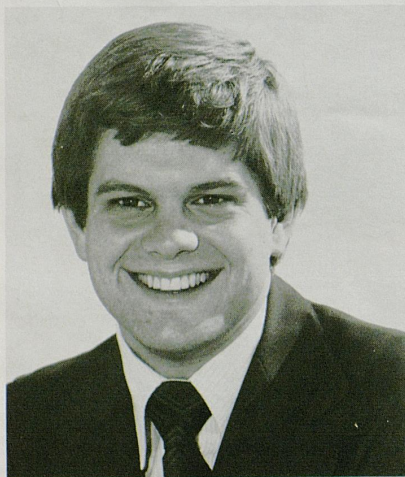

Leonard Hamilton was named the University of Kentucky's first associate basketball coach on October 15, 1980.

Hamilton has been a member of the Wildcat coaching staff for seven years. He came to Kentucky after serving three years as an assistant coach at Austin Peay.

He has always been noted as an outstanding recruiter and as a defensive specialist. Most remarkable in his coaching career is the fact that in nine of his 10 years as a coach on the collegiate level, the team he has been associated with has advanced to postseason play. Only in his first season at Austin Peay has Hamilton not been involved in a postseason tournament.

A native of Gastonia, N.C., Hamilton lettered three years in football and two years in basketball in high school. He captained his basketball team for two years at Gastonia Community College, and also served as team captain at Tennessee-Martin, where he graduated in 1970.

The 33 year old Hamilton is married to the former Claudette Hale of McMoresville, Tenn. They have a son, Lenny, 11.

JOE DEAN
Assistant Coach

Enthusiastic, hard-working Joe Dean is beginning his fourth season with the University of Kentucky basketball program.

The Baton Rouge, La., native earned letters in both football and basketball at Baton Rouge High School. From high school, he went to Mississippi State University where he played three seasons against the Wildcats. Dean was a member of the 1976 Academic All-SEC squad.

After earning an undergraduate degree from Mississippi State in 1976, he served one season as a Bulldog graduate assistant coach while earning a master's degree.

Besides his duties associated with the Wildcat regular basketball season, Dean also serves as director of the annual Wildcat Coaching Clinic and the popular Joe B. Hall Wildcat Basketball Summer Camp.

He is married to the former Ellen Anger of Jackson, Miss. They have a son, Scott, 2.

BOB CHAMBERS
Assistant Coach

Bob Chambers, a respected high school coach in Tennessee for 20 years, is now in his second season with the University of Kentucky Wildcats.

Prior to the 1979-80 season, Chambers coached for nine years at Tennessee High in Bristol, Tenn., where he compiled a 228-68 mark and made three trips to the state playoffs. Of his 20 total years in high school coaching, he spent 13 as a head coach. His overall record is 317-116.

Chambers works in all phases of the Wildcat basketball program except off-campus recruiting.

He is married to the former Elva Jean Potter of Elizabethtown, Tenn. They have a daughter Robin Lea, 19, and Chip, 17.
