Exhibits

M. I. King Library occasionally offers space to local artists for exhibition of their works. Recently, an information sheet and a standard exhibition agreement for artists were drafted as a first step in publicizing and formalizing the granting of exhibit space.

Pursuant to the above, a Library Arts Review Committee is to be established to consider requests for and allocate exhibit space in the Library.

Any member of the Library staff interested in serving on the Review Committee should inform Pat Lloyd in the Director's Office by February 5.
