HIT THE DECK TEAM TRIUMPHS OVER TWO OPPONENTS

Hanover Defeated Yesterday 99 to 18; Berea Downed 80 to 51... PARRISH SCORES 41 POINTS IN TWO MEETS... Two Kentucky Track Records Broken by Berea Speedsters

Eastern Beats U. I. Ball Team

Devereaux Men Suffer 4th Defeat by 2 Score; Wildcats Again Display Weak Offensive Talent... Still lacking the hitting power that makes for a winning ball club, Eastern's "pitchers" did not base ball team went down to their fourth defeat of the current season last Saturday afternoon when they lost Eastern State Teachers college, whom the Cats beat 15 to 4.

Wrestling

Wrestling... Eastern scored first in the fourth frame after there was one out. Morris drove one down the third base line that went through Wilson. Settle, Evan Morris's young son, cracked out on a bunt when Frith sent a long fly to center field that scored Settle.

The clean Center Leaves are the mildest leaves

They Taste Better!

Luckies are all-ways kind to your throat

WHEREVER the finest tobaccos grow—in our own Southland, in Turkey, in Greece—all over the world, we gather the very Cream of the tobacco Crops for Lucky Strike. And that means only the clean center leaves. The center leaves are the mildest leaves—they taste better and farmers are paid higher prices for them. These clean center leaves are the only ones used

in making Luckies. Then "It's toasted"—for throat protection. And every Lucky is fully packed with these choice tobaccos—made round and firm, free from loose ends—that's why Luckies "keep in condition"—why you'll find that Luckies do not dry out—an important point to every smoker. Naturally, Luckies are always in all-ways kind to your throat.

✓ Luckies are all-ways kind to your throat

Only the Center Leaves—these are the Mildest Leaves

They Taste Better

SEEN FROM THE PRESS BOX

By JAY LUCIAN

University athletics went through a somewhat unlucky week-end as far as winning is concerned. Although the track team won a lopsided victory over the Hanover squad in a home meet, the baseball team journeyed to Eastern and lost. The tennis team traveled to Vanderbilt and lost a close match to the Commodores. Such is the ups and downs of athletics.

The intramural diamond ball games are developing into red-hot contests. The undefeated Phi Tau and Pi Kaps (angle this afternoon on Stoll field. Many amusing incidents develop at these games. Last week the Phi Tau catcher, Carriek, made a fast throw to second base which caught the unwary umpire on the head and knocked him head over heels. The game was delayed several minutes in order to allow the umpire to clear his head.

VANDY DEFEATS U. K. TENNIS TEAM

The varsity tennis team lost its second straight start of the season Saturday afternoon against Vanderbilt at Nashville by a 6 to 3 score in matches. Extremely wet court slowed up play and greatly handicapped the players. The boys returned to Lexington Sunday after being entertained in Nashville Friday and Saturday evenings.

The Vanderbilt team took four of the six single matches and two of the three double contests to win a decisive victory in each department. In the singles, Jenkins lost to McKay, 4-6, 2-6; Yost lost to Shankin, 3-6, 1-6; Tullock lost to Woodruff, 3-6, 4-6; Moore defeated Pittman, 6-3, 5-7, 6-4; Randall defeated Benovitch, 6-1, 8-6. In the double play, Yost and Randall lost to McKay and Gilmer, 1-6, 3-6; Moore and Slahr, defeated Pittman and Benovitch, 6-3, 6-1, 4-6; Wood and Jenkins lost to Woodruff and Shankin, 5-7, 6-4, 3-9.

The Wildcat team will attempt to break into the winning column at home tomorrow afternoon when they meet the net squad from Berea college. The contest will be decided by six single and three double matches as was the Vanderbilt affair. Coach Downing stated that practically the same lineup would be used. There will be no admission for the match tomorrow and all students and townspeople are invited to attend.

The tennis team completes its three-game card for the week here Friday afternoon when they meet the courtmen from Tulane. Because of the smaller squad which the New Orleans school will send to Lexington, it will be decided by four single and two double contests.

The remainder of the games on home affairs with the exception of a match to be played in Cincinnati next week and possibly one in Louisville later in the season.

Intramurals Have Rapid Progression

Participants in intramural activities took advantage of the break in the weather and caught up with their matches over the week-end. The play was heavy in all branches with tennis drawing the greatest number of matches.

An attempt to forecast the winners of any of the groups of events would be difficult because of the apparent equality of the abilities of the contestants. Tennis seems to be a toss up between Miles, Gottshall, Acosta, and Stokely. Endicott and Bringhamer seem due to meet in the finals of horse-shoes.

Winners of the matches played recently are: tennis—Blake defeated Borries, Acosta defeated Fontaine, King defeated Vanaman, Miles defeated Thomas, Lucian defeated Romaker, Gottshall defeated Heath, Brady defeated Conleton, Bringhamer defeated McConnell, and Crowden defeated Craig.

Tracksters Annex Two Easy Victories

STUDENTS TO SELECT ROTC SENIOR CADET

Advanced corps students in military science will hold the annual selection of the senior cadet for the award of the Rotary Trophy for Good Citizenship on Thursday, Friday, and Saturday, May 3, 4, and 5, Maj. B. E. Brewer announced yesterday.

The name of the student who is selected will be announced on Field Day, Wednesday, May 23. Balloting will be done in the junior and senior class rooms and the instructor of each class will deliver the ballots to Major Brewer in a sealed envelope. On Saturday at 10 a. m. the envelopes will be opened and the votes counted by a committee composed of Major Brewer, Captain Clyde Grady, Lieut. P. E. LeSturgeon, and two cadet officers.

NEW UNIFORMS FOR BAND

"The Best Band in Dixie," University of Kentucky's, will be furnished with new uniforms, according to an announcement by Mr. John Lewis, of the Music department. The band will wear them for the first time at the first football game next fall. The uniforms will be fashioned after the cadet uniforms of the parade type. Approximately \$653 has been set aside for the purchase of the suits. This money was made at the Horticultor's Hop, at a football game, and the Military department of the University supplied part of it.

Arthur Cutts Willard, acting dean of the University of Illinois, dean of Engineering, was elected president of the University late today. He will succeed Dr. Harry Woodburn Chase, who resigned to become chancellor of New York University.

PALM BEACH... like raising a window

Ventilation! Air entering to evaporate body perspiration! That's what you get all summer through the wide-open pores and patented weave of the new Palm Beach.

Wide open because each pore of the cloth is a real little window in itself—with no fringe around the edges—with none of the whiskers or scales (scilia) found on the fibres of wools and worsteds, to catch dust and close the openings. That's why scientific tests show Palm Beach to be many times as porous as other summer fabrics.

Have you been a Palm Beach postponer all your life? Then let this summer introduce you to its luxurious coolness. It is dirt-repellant, wrinkle-resisting, crease-holding, washable, fully pre-shrunk—and it comes in white and many colors. Smartly tailored by GOODALL. \$18.50

GOODALL COMPANY - CINCINNATI

Showing how Palm Beach lets in the air and evaporates body perspiration... Your body is apt to give off a pint of perspiration on a warm day. Hence, these five jars, each containing a pint of liquid, were exposed to air. In 48 hours the jar without any covering evaporated all the perspiration. In the same length of time, 95% was evaporated in the jar covered by porous Palm Beach Cloth. Note the contrasting results in the jars covered by other summer fabrics.

JAR NO. 1 (with no covering) shows 100% evaporation. JAR NO. 2 (covered with Palm Beach) shows 95% evaporation. JAR NO. 3, 4, 5 (covered with other summer fabrics) retain from 25% to 41% of "perspiration."

THE AIR WALKS RIGHT THROUGH A PALM BEACH SUIT TO COOL YOUR SKIN

for 24 hours a day-- We put the OK in cooking at

After the Game—After the Dance—or any time

# The way tobacco is cut has a lot to do with the way Chesterfield burns and tastes

There are many different ways of cutting tobacco. A long time ago, it used to be cut on what was known as a Pease Cutter, but this darkened the tobacco, and it was not uniform. The cutters today are the most improved, modern, up-to-the-minute type. They cut uniformly, and cut in long shreds. The tobacco in Chesterfield is cut right—you can judge for yourself how Chesterfields burn and how they taste.

Everything that science knows is used to make Chesterfield the cigarette that's milder... the cigarette that tastes better.

**HORD TO ADDRESS CLUB**  
A meeting of the German club will be held at 4 p. m. Wednesday, May 2, in the Training school auditorium. The speaker will be Frank Hord. Mr. Hord's subject will be "Experiences in Other Lands." Music is to be furnished by Wesley Morgan, cellist, accompanied by Willa Mae Shearer, pianist. There will be an election of officers at the meeting in which only members of the club will participate. Dr. A. E. Bigge, head of the German department, is faculty adviser of the German club.
