Football;-
failure to play
Thanksgiving Day
game with K.U.

May. Burt, chairman presented an informal report of the Committee on Athletics mainly to the effect that, on account of the impossibility of arranging a game of football with Ky. University team upon conditions honorable to our institution, the Athletic Assoc. of State Colleges found itself somewhat embarrassed by a deficit.

Other members of the committee aided in presenting the situation to the faculty, after which a general discussion participated in by nearly a quite all present followed. The general consensus of opinion seemed to be that the athletic committee was justified in the stand it had taken, and a further practical endorsement was offered, in the form of ^{bi-annual} subscriptions toward clearing off the indebtedness. ^{Committee} adjourned.
