## ABOUT THE LIBRARIES

### ACTS MEETING

Bob Trumbo from Staff Benefits will be at the December 12 meeting at 9:00 AM in the Gallery of King North. Please come with questions relating to his area of knowledge. There will not be refreshments afterwards so bring your own coffee, tea, etc.

### ELECTION RESULTS

Vivian MacQuown has been elected to serve as Library Ombudsman for 1980.

### BIOLOGICAL SCIENCE LIBRARY NEWS

BSL will mark Pearl Harbor Day (December 7) by allowing overdue books to be returned without the payment of a fine.

BLS will extend its hours during exam week (December 12-19). These will be announced in the next issue of the Green Bean.

### BLOOD DONORS NEEDED

It is time again for the bi-annual blood donation. This operation will take place in the study hall of Anderson Hall on Thursday, December 6, 1979.

The demand for blood increases tremendously during the holiday season as more people are traveling and there is also an increase in the number of serious illnesses at this time of the year. This is the season for giving, and our donations not only benefit the University as a group, but in addition those individuals whose lives may depend upon an available blood supply.

### PHOTOGRAPHIC EXHIBITION

Gerry Munoff, Curator of Photographic Archives, Special Collections, has an exhibition of photographs in the Doris Ulmann Gallery, Berea College Art Department, November 12-30, 1979.

### MOBILE BOOK EXHIBIT

A bookmobile ("The College Traveler") with books from over 200 publishers will be in front of Frazee Hall, Monday-Tuesday, December 3-4, 9:00-4:00.

### CHRISTMAS MADRIGAL DINNERS 1979

The University Chorale in cooperation with the Student Center Food Service is presenting the second annual Christmas Madrigal Dinner--an evening of fun, festivity, and fellowship combined with good music and good food. Tickets (\$10.00 each) are available from Sara Holroyd, School of Music, Room 10, Fine Arts Building. Dinners will be held on December 1, 2, and 3. For further information call 258-4900.

### MISCELLANEOUS

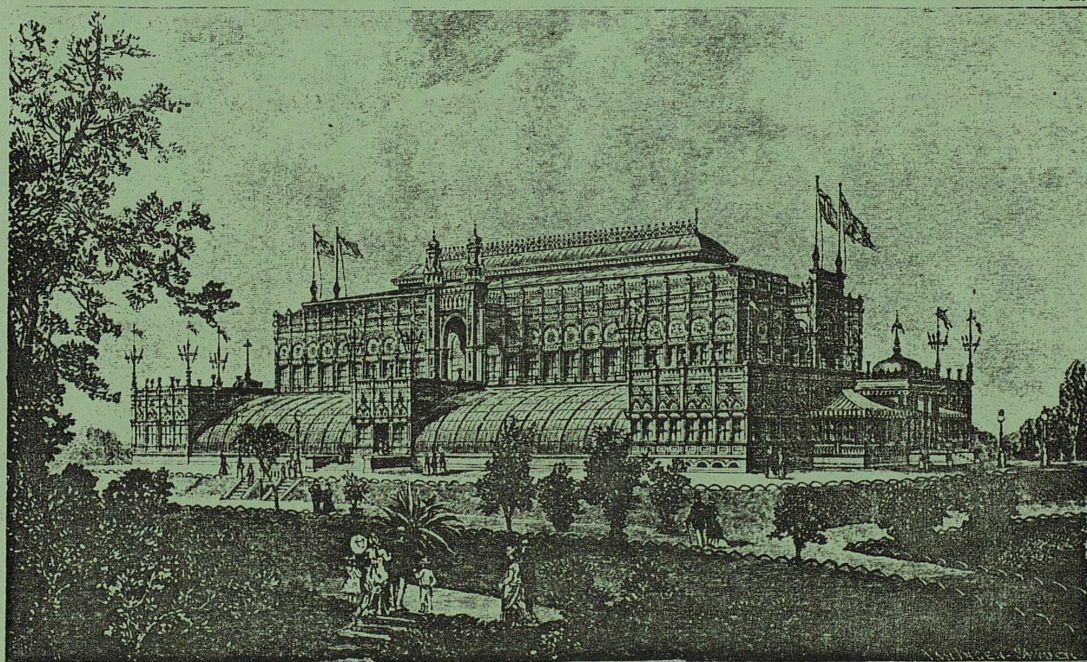

Anyone who would like to have the New Book Display rack used in Circulation (two new sections of regular shelving have replaced it), please let Administrative Services know within the next few days and we will deliver it. If no one wants it, it will be surplus.

Have you noticed the bent-up bicycle in front of MIK-South? It appears to be a permanent gift by someone who appreciates art. Anyone with an idea on what to do with this donation please notify the Green Bean.
