Gen. Roger D. Williams,
Lexington, Ky.

Dear Sir:

Have just received enclosed postal from Mrs. Mary B. Williams, Gulf Port, Mississippi, of course she had scarcely permitted sufficient time to elapse for its issuance before writing the postal, however, if you will write some influential friend of yours in Washington such as Gen. Breckinridge, Senator Beckham or Congressman Cantrill to request that same be issued at once if not already issued, it would perhaps facilitate matters. You might wire instead of write if you think best. Am mailing copy of this letter at Gulf Port.

Very truly yours,

Chas. N. Wiard

Please have issuance expedited
