Dear Lucia

Well I hope you have a nice Christmas and Happy New Year you will have let Grand Mother do the Christmas shopping, as this place is lots higher than at home and you would never get the price I cut off. Weather like Tampa to day. I hope Sam's is much improved today and may soon be well again, you have all had a lot of trouble at home, wish I had brought all of you with me there are lots of queer sights here in this old city, and you never saw so many kids some white some brown and some black, look like them must be a million of them.

Have been to several picture shows but they were not much
