

My Darling wife,

You may think it strange that I should address you in this manner but I mean every-thing that the word implies and to the fullest extent. You are the only one in this world for me and I love you more than anything else in the world. I want you now and I must have you. There must be some way for us to arrange it. I can not live the way I am as I am fit for nothing.

I am almost distracted and my heart is broken. Please come to me. We can get a flat or a house to live in. I have no money at present as you know but I can get enough money to start to furnish it.

I am afraid you will laugh at me for writing you this letter but I can not stand it any longer and
