

80, PEEL STREET,
CAMPDEN HILL, W.

July 24.

Dear Sir.

I shall be delighted
to see you together with
my friends tomorrow
afternoon. May I ask
you to come at a little
earlier time than that
you suggest as I have

an appointment at 5 o'clock
which I must keep.

I think I ought to warn
you that just at present
I have very little in my
studio, but what I have
I shall be very pleased
to show you

Yours very truly

Frank Dickson
