My dearest

I have just
heard that Poulett
Thomson, brother
of Marlow & Washburn
& Wyndham have
been drowned -

I dined
yesterday

gested what
scopes in families;
of course it
was their unhappiness;
nevertheless I fear
'tis true -

Henry Fitzroy
is going to marry
Miss Porters child,
who

also has 50,000
at her own disposal;
but is to have
no more money.
She marries with
the consent of her
mother & brothers
& of wife not
consent. This
I heard from

Benjamin Disraeli to his Sister
for House of Commons, 1839
Repos to Lord John Russell on Johnny.

They say that Johnny
is at all events
about to retire
and out from the
Government but
Parliament, in
consequence of his
bad health.

I think there
is

is rather dull
tho' full; but I
suppose will be
gay enough in a
week or so, if we
could get rid of
this pestiferous
wind

and. Mr. Lysham
is my wife's friend
her love -

I saw the
Lyshams yesterday,
who are recovering
from the grippe -
Lovefully
