

3609 Broadway - N.Y.C

Mch. 19-1913

Dear Mr. Wright:

This small story was
sent to me by a young editor
in Chicago - W.C. Fenzel - who
wants me to transmit it to you
if it's good enough. It's not so
well, but slight, but on the
whole, being fairly natural I
think you'd better see it: you
could see too much of your material

in the direction. Another letter
will answer your letter to us.
If unsatisfactory would like
to be to the author + indicate
slightly your field. We really
never in a way

Theodore DeWitt
