My Dear Mr Wilks ^{dear}

I have found the drawing
of the Bishop's page; it is about
the size of the cut in Punch, & that
is a facsimile of it; and is very
slight. The price would be six pence.
If you would prefer it made larger
& more elaborate I can do so over
again with more finish for you. In
that case it would be 15 pence.

J. Tenniel called here yesterday for
a minute or two (he was riding); he
would prefer that you should communicate
with him direct - you will find him
a most charming ~~person~~ one of the
best I ever met. If you wish, his
address is 10 Portdown Road

Maida Vale Hill. W.
with kind regards to Mrs. & you,
Yours very truly
George du Maurier
