

New Grove House,
Hampstead Heath.

Apr 23.

My dear Mr Wells

I send you by same post
the Bishop's the Page. Which will
merit to frame it for you as
you like - I don't know whether it
is to hang up or keep in a portfolio.

With kind regards

Yours very truly

Jesse de Maurie

P. S. I have sent in my Watercolor
to the ^{MS} Society (in Pall Mall East);
I hope you will find time to go
there. Agnew has bought it of me
this year. It is a great improvement
on last year's.
