

7/6 Thamburhead

May 19. 87

Dear Tom,

How are yours & you?

Mems been back 3 weeks - Thamburhead
is healthy but not well. Not that
any of us are much better, so far.

When are subscriptions for the
B. C. Memorial due? I heard
of the to send 5, but my peripheral
neuralgia is such an expensive

business (Doctor, massage, galvanism &)
that I must restrict myself I fear
to 2. I hope when the weather

clears that you (3) will come
some Sunday to lunch or (2) to

dinner, in which case let me
know & I will ask the great James,
whom I've not seen since Haspwater -

With kind regards yours ever

S de Maurin
