My Dear Mills,

I will find the  
drawing in question & send it  
to the Fine Art Society to  
be mounted for you in black  
& grey as you wish.

I am glad you liked  
Dolly at the Haymarket -  
Miss Ward is a charming young  
person & I hope the marriage  
will turn out a happy one. I  
don't know young Irving myself,
