Copley Fielding

My Dear Sir

On my return from

Woburn at this moment I find a
note from Miss Minshull requesting
me that you direct at Kentish Town on
the 26th & asking me to pilot you.

I have therefore only to beg that you
will call here, if being in your way,
at 8 o'clock on the day appointed.

I remain, my Dear Sir

Yours very truly
C. L. Eastlake
