To the Rev. Mr. Murray

27 St. Mary's Church, London

Dear Sir

North, is struggling for removal into
the South, and that according to
my Experience an offer of improvement
in the North is seldom made
without an anxious prayer to
give something in the South
instead of it - It is therefore not

your account & the respect I bear
you, that it was, to accomplish
the purpose of Mr. M. - If I

Living was first given him, did

not refuse, at least not immediately
yours very truly

Eden

Dear Madam
In haste.
