

I will come down, if I
may, by the train which
sets to Guildford at

	Waterloo	Guildford
<u>6.1.</u>	<u>5.3.</u>	<u>6.1</u>

I am afraid I must
leave by an afternoon

train on Sunday -

There is one at 5.49

which would do very

well if that is not

inconvenient to you.

Dear Mrs. Sotheby

Thank you so

much for your note.

I am so glad it is

not inconvenient

by you for me to

come on Friday week.

I will bring the picture in its frame.
which I hope you will like - It
can be toned if you

think it looks too bright
but I thought it best not
to have that done till you

had seen it. I shall look forward
to coming. Yours as usual,

Seamus O'Riordan
