I think I shall suggest Tuesday  
if fine but I am not certain  
yet when I can fit it in  
I go back to London today  
Thank you again so ~~very~~  
much and may I have  
another invitation some

My dear Mrs. Sothely

Thank you so ~~very~~ much for  
your most kind invitation  
I do wish I could come but  
I am afraid it won't be  
possible for me to stay the  
night the next time I come  
to Guildford as I am so  
dreadfully short of time!

I should have simply loved  
to come to you otherwise.  
I feel I did not see  
you at all ~~the~~ <sup>the</sup> day  
when I was with the Powells -  
one never does in any  
one else's house somehow!  
Mrs. Powell's sister wrote  
me kindly yesterday saying  
she hoped I would stay the

night the next time I come -  
I must write & tell them!  
I had hoped I should have  
had time but I had to  
come down here for a few  
days as I had promised  
to some time ago, and  
now I find I shall be  
too short of time to fit  
in more than one day  
at Piccadilly Rooms & I  
must get the best pictures
