My dear Sir

Among ~~the~~ letters which  
I have found waiting for me  
on my return from Spain  
there is ~~one~~ one that I have  
read with greater pleasure  
than yours. I do not  
know what answer you  
may have received from  
Mr. Knapp. but I do know

that I shall most heartily  
welcome a renewal of your  
connexion with Baven.

I shall not be in London  
again before <sup>the end of</sup> September.  
but if you will forward your  
letter to Messrs Langman it  
will be forwarded to me here  
faithfully yours

J A Kneller
