

Boston, April 16, 1876.

My dear Mrs. Kline.

You are very
kind to send me another
copy of the Lakeside Magazine
which is very welcome. - I
tried to procure some extra
ones but did not succeed. -

The subject of Immigration is
raging here & there is a call
for literature.

I am delighted to
know that the magazine was
so successful & am glad
to have helped ever so little.
Thank you very much.

Sincerely yours,

Wm. Lloyd Garrison
