

Gregories · Beaconsfield

Feb 6<sup>th</sup> 1940

Dear Mr Noppé,

Yes - but I just notice that the  
trains are awful. Could you catch  
the one leaving Marylebone station  
towards noon; reaching Beaconsfield  
about one? I would meet

you. We could get to work;  
and if you will have luncheon with  
us afterwards we should be  
delighted. The late afternoon  
light in this room is bad  
in the darker season.

Yours sincerely

J. Garra
