Prof Hilgard

Dear Sir

I don't want  
to hurry you at all - but desire  
merely to say that we are now  
making up our May number,  
and that if you would like  
to have your article appear  
in that number it should  
be at once put in the printers  
& engravers hands.

Mr. L. M. Reavis  
of St. Louis writes asking  
for advance sheets of  
the article. We will  
send to you all the

advance sheets you  
may desire, & you  
can, if you wish,  
send a set to  
him. But we  
will not send him  
advance sheets with-  
out your permission.

Yours faithfully,  
Walter Sells.
