Dear Mr Stevens -

Can you spare a little time to my notices of the women of the Old Testament?

I send you Shebekah - Leah - Rachel - Huldah. Will you look over these and tell me if the sentiments meet your approval. I will call for the MSS. on Saturday afternoon.

You will observe, in the sketch of Rebekah, I have stated that Jacob was nearly sixty at the time of his marriage; - will you ascertain from Dr. S. if this is correct?
