

Villa Venusta, Massis

Italy Nov 21. 1896.

Dear Sir,

I am much obliged to you  
for your kind offer. If you will  
spare me autographs of Dr. Holmes &  
G. W. Curtis I shall be very glad to  
add them to my collection. As for a  
return I cannot make it till I  
return home towards the end of  
next May or the beginning of June.  
Then I could send you, I think, auto-  
graphs of my uncle Sir Rowland Hill  
& of John Hurley - probably also of  
Lestie Stephen. I fear however  
that I may forget; so I must ask

you to send me a line by way of  
reminding next summer addressed  
to me at-

1 The Willmores  
Holly Hill  
Hampstead  
London, N.W.

I am not so poorly off for American  
autographs as I was. Twelve months of  
vacation I spent in New England,  
where I met Lindbergh, who  
gave me interesting letters of her father,  
Lovell & Sumner.

I am

Yours very truly  
G. Baxbeck Hill.
