Charles W. Stetson Esq.
Dear Sir

I should greatly
look in courtesy if I did not
answer your kind letter in
which you send to bring
nice things of my books - I am
glad you like them and
hope you send my later ones.

Grace Diamonds is my last
one I think you of my best
- that one is rather. I hope
you will send them.

I knew Mrs Southwell and
esteemed her highly. She

a good woman.

It is possible that
Mr Holmes and myself may
be in Turkey for a while -
if so we may meet your
kind regards -

Yours truly
Mary J Holmes
